HELP KEEP \$\$\$ LOCAL

Member to Member Benefit Program

The Member-to-Member Program allows your business to offer discounts/savings to fellow Chamber members. Members will be given a discount card that they can show at participating businesses to receive the benefits. This encourages them to shop at your business and helps to support the local economy!

I would like to offer the following discount /savings to other Chamber members:

Chamber Bucks Program

Chamber Bucks are gift certificates that can be purchased through the Chamber office and redeemed at participating Chamber Businesses. This program is managed completely in-house at no cost to the purchaser or businesses.

- Chamber Bucks can't be taken out of town and used elsewhere; therefore, we keep money local!
- In house program eliminates fees and liability issues
- Each certificate is printed with a unique serial number on paper that cannot be copied
- Great for employee incentive programs and holiday gifts
- Accepting a Chamber Buck is exactly like accepting cash. You can call the Chamber office and get reimbursed with cash or check (your choice) the very same day!
